Would 3:30 or 4:00 central today be convenient for both of you? Thanks.

Subject: San Jacinto River Site - Consent to Access for Sampling/Residential Sampling

Anne,

Attached please find clean and redlined versions of the consent to access for the residential soil sampling program. The agreement has been revised in an attempt to address your concerns about the initial draft agreement and to revise the depth of the soil sampling in accordance with discussions between David Keith, our Project Coordinator, and Gary Miller of EPA. Please let Sonja and I know when you are available this afternoon for a call to discuss this matter, as well as the Big Star access issue.

I am available all afternoon. Sonja is as well, except from 2-3 CDT.

We look forward to visiting with you later this afternoon. Al
